

Noble House Molier
Anno 1157
Tandem Erit Messis

Royaum Sans Frontières, Now (nee 20 august 2016),

To my dear Friends and those whom these presents come, Greetings!

Please be Informed of the '**Law**' of **Royaum Sans Frontières**.

The '**Law**' of Royaum Sans Frontières is; There are '**No Laws**', instead We have **Principles**, of which the **Basic Principle** is '**Do No Harm**', which in combination with **Common Sense** should suffice.

Surely this sounds very '**Simplistic**', and it should be. By no means is it easy to reach, it **Requires a Change of Aware Consciousness**.

All Individuals are Free and Sovereign, Par Inter Pares, Equal among Equals.

In a Practical Way it means **Each Individual has Full Options** to '**Do**' / '**Act**' / '**Be**' as like, **only Limited when Inter-Acting**, for as Limited a '**Time**' as possible. The mentioned **Limitations** be as **Discussed between said Individuals**. By No Means are they based on **CONTRACT**, for **All Based on Expression of Free Will only**.

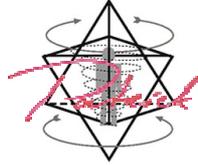

When a '**Conflict**' arises, because **No Agreement** can be **Reached**, a **Mediator** be Involved as **Trusted** by **Both Individuals** or **Groups of Individuals**. Surely, by **Reasoning**, a '**Solution**' be **Reached**, such as having a Change in '**Time**', '**Space**' or '**Location**', so no longer Both Individuals are Involved.

There be **No '**Judgment**' of Individuals**. Again, that it Requires is a Change of Aware Consciousness, which can be reached by **Changing Perspective**, so Individuals are able **Follow** the **Weltanschauung** of **other Individuals**, letting it 'be'.

Still, **Common Sense** tells some '**Standards**' or '**Conducts**' better be **Followed**. We can think of Traffic Lights, because **Cause and Effect** has learnt us '**Accidents**' may occur. Another example be for Buildings, many Parts have been '**Standardized**', meaning they will **Interface easily** when used. It does not mean an Individual Building can't be built by One's Heart's Intent, but it does mean a Larger Construct uses said Standards.

May Peace be with You,

In Honour and Conscience, Fully Transparant, In MA'AT,
In Full Trust of Your Good Will, Your Humble Servant,

Just patrick,

Prince Patrick from the Noble House Molier,
Sovereign of Royaume Sans Frontières,
Secretary/Treasurer University of Quantum Dynamics Foundation,
Patron Prince/Knight General Sovereign White Knights,
etc. etc. etc.

Thank YOU for testing 'me'!
